HOTELL & KONFERENS

## WEEKEND & SPECIAL OCCASIONS

There are certain occasions in life that we all want to be perfect. Everyone has a different perception of what perfection is, but whatever it is; Åsljungagården is there to help you with that.

### **Unforgettable wedding in an amazing environment!**

One example of such an occasion is a wedding. A wedding is a memory for life, where everything should be planned and executed perfectly. The staff at Åsljungagården helps you with the planning and preparations from the first initial meeting. Granted, the lucky couple themselves should decide the direction of the wedding, but details can be left for the very experienced staff to plan and make happen. That way, the couple and family involved can just relax and enjoy the big day!

Åsljungagården is well known for its cuisine and we are very proud to offer a kitchen with great variety. Together we sit down and decide the menu, according to season and taste, so it best fits your wants and needs.

Are the guests coming from a long ways away or maybe they just want to enjoy an evening without driving? Åsljungagården can also offer your guests accommodation; contact the hotel for special prices.

The beautiful surroundings together with the superb food and personal commitment will create a wonderful environment and a memory for life!

### **Invite family and friends to celebrate your birthday, anniversary or other special occasion...**

Another example of an occasion might be a birthday or an anniversary. Regardless if you want a simpler buffet-style dinner or a five course meal, Åsljungagården will help you find the perfect option for you.

You can also add activities to the celebration. Maybe challenge your friends to a Pentathlon out in the woods, take Grandma tobogganing or for a walk on burning coal?

### **...or just a girls/guys weekend together?**

Another special occasion might be a weekend with friends you don't have time to see as often as you would like. Or why not take mom and treat her to a Mother-Daughter weekend? Relax for a day or two and forget about all the weekly commitments you have at home. Let us at Åsljungagården take care of you!
