

# ÅSLJUNGAGÅRDEN

HOTELL & KONFERENS

## GOLF PACKAGES

Åsljungagården is conveniently located in the north-western part of Skåne (Scania), in the midst of many beautiful golf courses. We co-operate with ten courses, all of which are located within approximately 30 minutes. The mild southern climate gives golfers the opportunity to a long season. So, pack your bag and get an early start to golfing this year. Or be the last ones to enjoy a golf weekend in late October!

Our golf package is one of the best deals in southern Sweden. In the price is included accommodation in a double room, a welcome drink at the bar, a three course dinner, breakfast buffet and one greenfee (we help you book the tee-time).

After a day at the golf course, you come back to the hotel and maybe play some pool, throw some darts or limber up your joints in the sauna. Maybe just relax in front of the fire place with a drink? If you still feel like exercising, there are several trails to use for jogging or hiking. For the never-sleeping golfer, we have our very own putting-green and chipping area to practice on for tomorrow's round!

**We hope to welcome many new golfing guests and those of you who have been here before, we welcome you back!**
